

Senior Parent Financial Aid Night

Monday, Feb. 8, 2010, 6:30-8:00, CHS Library

Four financial aid (money) specialists from Tyler Junior College will present options for financing your senior's higher education at any college and technical school with a focus on how to complete the Free Application for Federal Student Aid (FAFSA). Even if your senior does not qualify for a federal Pell grant, colleges use the information on the FAFSA to determine eligibility for state grants and scholarships.

Parents will need to bring parent and student PIN numbers, their completed 2009 income tax forms if possible, and completed FAFSA-on-the-Web worksheets that have been given to your senior. As a special bonus, the financial aid representatives will actually help you complete the FAFSA on-line in Chapel Hill High School computer labs so that your student can qualify for as much grant and scholarship money as possible. Put this on your calendar NOW and be there even if you have not completed your 2009 taxes.
