3<sup>rd</sup> Six Weeks

Dear Families,

We would like to say "Welcome Back!" We hope everyone had a wonderful holiday and a happy new year. The year is half over and has really flown by. Your children have learned a lot in the first semester of school and we are really proud of them. We will learn even more in the upcoming semester. We hope you can see a change in your child since the beginning of the school year. They have really grown up, which pleases us considerably. We will continue to build on concepts already introduced, to work on our letter recognition, colors, shapes, and writing our names. We will begin to learn to recognize and write our last names and to identify sight words, so we can learn to read. So, as you can see, we will be very busy this next semester. As always, feel free to stop by or call us at 566-3411. We know the remainder of the school year will be a great one.

Ms. Harris/Mrs. Butler
