6th Six Weeks

Hi Families,

We can hardly believe this year is over and summer is fast approaching. We have really enjoyed having each of your children and watching them grow and develop into mature Kindergarteners. You all have very beautiful and special children. We are so proud of them for all the hard work they have accomplished in their educational journey. We want to thank you so very much for giving us the opportunity to get to know and to teach them; not only did your children learn from us, we also learned from them. We would also like to thank you all for your support during the year. We feel parent involvement is a much-needed asset in the classroom to ensure a successful year. We hope everyone has a safe and wonderful summer.
