According to CHISD policies, teachers must receive "proficient" in eight of eight domains to receive the full step increase. The following applies if this criteria is met:

- ~The General Pay Increase (GPI) for teachers is \$1,556.
- ~Teachers currently employed in the district with more than 22 years will receive the GPI.
- ~In no case may a teacher receive less than State Base for their years of experience.

Teachers with 22 or more years of experience new to the district in 07-08 will enter on Step 22.

This scale is valid only for the 2007-2008 school year. Any increases in future years should not be presumed.
