

A group of young women, the Chapel Hill Sapphires, are posed in front of a stone wall and a waterfall. They are wearing light blue uniforms and striped leggings. The text is overlaid on the image.

Sapphire Drill Team Mission Statement

We, the Chapel Hill Sapphires, are a team striving for excellence within our community, both as a group and individuals. We understand that our duties as Sapphires extend beyond performing into every aspect of our lives. We will exemplify mature responsibility as young ladies and as a team. For we are not only role models to those around us, we are the pride of our family, our school, and our community.
