

The Wings Program

Student Agreement

I agree to accept responsibility to:

- Come to school every day unless ill or emergency prevents me from coming and to call *The Wings Program*, 903-565-5166 if I am going to be late or absent. I will bring a note from home upon returning to school.
- Arrive at school on time each day. Tardies will be referred to the Alternative School Coordinator.
- Work diligently the full amount of time as required by the instructor.
- Always comply with instructor. (If asked to move or do whatever is necessary to allow others to continue to work uninterrupted.)
- Not disrupt other students.
- Be responsible for my own actions – not those of others.
- Be concerned only with my responsibilities and my work – not concerned with what others are or are not doing.
- Be respectful and courteous to the instructors and other students.
- Be aware of gestures, language and harassment considered to be offensive and refrain from such behavior. (Could result in probationary period or removal from program.)
- Dress according to the CHHS dress code.
- I understand that I am not to go on the high school campus for any reason at anytime. Failure to comply results in two weeks office detention.
- I understand that I may be able to stay for a seven hour day in some cases. I will contact the Wings teacher if I want to do this.

I understand the above responsibilities to myself and others. I understand that if I, in any way, hinder, inhibit or interrupt the learning process in *The Wings Program*, I am subject to being placed on a probationary status or removed from the program. I also understand that repeated minor offenses could also result in probation or removal from the program.
