

FREE Meals Offered to ALL Chapel Hill ISD Students via Curbside Pickup - March 23- April 3rd

Chapel Hill ISD School Nutrition Department will provide FREE curbside meal pickup on March 23- April 3rd to all children 18 years old or younger. This will be a walk up/drive up style service. Staff will have the meals set up in the drop-off parking area. All meals will be served from 11:30 a.m. to 12:30 p.m. Monday – Friday at Wise Elementary, Chapel Hill High School, and Jackson Elementary. In addition, the following mobile sites will start on March 24th:

Mt. Erie Baptist Church (11201 CR 3116 Winona, TX. 75792), Sharon Baptist Church (2120 Old Omen Rd Tyler, TX 75701), Rose Heights Church (2120 Old Omen Rd Tyler, TX 75701), Dixie Paper Company (3010 St Hwy 31 E Tyler TX 75702), Glasscow Mobile Home park at back gate (5401 Linwood Dr Tyler, TX 75707), Jackson Water Supply (17764 CR 26 Tyler, TX 75702), and Fellowship Baptist Church on Morningside (7984 Jimmie St Tyler, TX 75708).

Children 18 and under must be present to receive a meal. Meals are not available for adults. The School Nutrition Department will provide a free packaged lunch meal and a breakfast meal (at the same time). Breakfast will be offered beginning March 24th. All meals served will include protein, grains, fruits, vegetables, and milk or juice.

Food Safety Practices: Chapel Hill School Nutrition Department will continue to follow safety protocols such as all faculty washing hands for 20 seconds, faculty wearing gloves when dispersing meals, and as much as possible, following social distance recommendations.

Curbside Service Food Safety Practices

- Please note that the meal provided during the Mitigation Period is intended for immediate consumption.
- All Food Safety practices have been followed in preparing the meal and we would like to continue the food safety practice for the consumer.
- Any cold items that are not consumed (milk or fruit or vegetable) should be placed in the refrigerator to ensure proper storage for later consumption.
- Any hot items that are not consumed should be disposed of to ensure safety practices are followed.

THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER
